Ladies Craft Night

Thursday, February 9, 2012

7 pm to 9 pm

We had a nice turnout for our first craft night last month. We'll be continuing this month with beginning crochet and learning some additional stitches. We can also try beginning knitting if you are interested in that as well.

The next session will be Thursday, February 9th at 7 pm. If you want to learn how to crochet, bring a ball of yarn and a size "J or K" crochet hook. If you are interested in learning how to knit, then bring a ball of yarn (whatever type you want) and a pair of knitting needles (preferably size "13 or larger" for beginners). These supplies can be purchased at any of the craft stores such as AC Moore, Michael's, Hobby Lobby or at WalMart. **Before you come, be sure to wind the yarn into a ball which will be easier for you to work.**

If you know how to crochet/knit or are not interested in learning, bring along whatever craft you are interested in working on and whatever supplies you need. You can work in peace on your own or share your crafting ideas with others.

Bring whatever you would like to snack on and the beverages will be provided. Please contact Barbara Orr (704-454-5138) or by email at cicmate@hotmail.com so we will know how many will be joining us for another fun evening. The Fellowship Hall will be decorated for the Adult Banquet on Saturday, so we'll be in one of the larger classrooms located at the end of the back hall (closer to the choir room).

Cleon and Peggy Harris and family would like to thank you all for the prayers, visits, phone calls, cards and care you shared with us and for us during Cleon's recent surgery and hospital and rehab stays. It is wonderful to be part of such a loving and kind congregation.
